

Emergency First Aid at Work (6 Hours/ 1 Day)

RQF Level 3 Award England, Northern Ireland & Wales – Internationally Recognised

Qualification Title: FAA Level 3 Award in Emergency First Aid at Work – Code 603/2080/1

Unit 1 Title: Emergency First Aid in the Workplace – Unit Code Y/615/8504

DESCRIPTION

Where an organisation's risk assessment of First Aid needs identifies that there is a requirement for Emergency First Aid at Work practitioners, then this internationally-recognised Award in Emergency First Aid at Work satisfies the requirements of the regulatory body for First Aid - the Health and Safety Executive (HSE).

All learners will have the skills and knowledge to provide the organisation with Emergency First Aider's that can provide treatment to their casualties in a prompt, safe and effective manner.

SUITABLE FOR

Any industry, public and private sector including: manufactures, distributors, warehouses, oil/ gas plants, retailers, offices, schools, colleges, sports clubs, physio's, healthcare practitioners, hotels etc.

DURATION

A minimum of six contact hours in the classroom, consisting of practical and theoretical activities, plus some pre-course activity could be required.

ASSESSMENT AND MARKING

Our instructor is responsible for determining whether delegates pass or fail based on practical and oral assessment throughout the course, i.e. by observation and oral questioning. The trainer will only award a pass if they believe the delegates have displayed the requisite understanding and competencies throughout the course.

CERTIFICATION

A three-year qualification will be issued to those who satisfy the criteria. In addition, the HSE strongly recommend that all students undergo an annual refresher programme of three hours.

NUMBERS

A maximum of 12 students can be accommodated; all learners must be a minimum of 14 years of age.

INCLUDED IN COST

Delivery onsite, manuals, certification and postage.

***Our Awarding Body is First Aid Awards Ltd.**
